TABLE OF CONTENTS

Part I. Import procedures in Korea 14

Import clearance procedures: basic principles 16
Features of Korea's import clearance system 16
Basic procedures for import clearance 18
Procedures prior to import declaration 18
Review of HS Code. 18
Procedures prior to customs clearance. 18
Calculation of the amount of the import tax. 18
Place of arrival for imported freight 20
Import declaration 20
Import clearance review and inspection of goods 20
Import clearance review 20
Goods inspection of an import declaration: purposes 21
Acceptance of import declaration and take-out 21
Summary of the import clearance procedures 21

Part II. Laws and regulations on food imports 22

Laws related to food imports 24
Food Sanitation Act 25
Plant Quarantine Act 26
Livestock Epidemic Prevention and Control Act 26
Foreign Trade Act 26
Grain Management Act 27
Liquor Tax Act 27

Food Sanitation Act: general food items 28
Procedures for pre-import activities 29
Documents for import notification for food 29
Documents required from importers 30
Inspection certificate or inspection results 31
Import notification for food 33
Food products subject to import notification 33
Food products not subject to notification 33

Imported food inspection 33
Relevant laws and institutions for food inspection in Korea 35
Key points in the inspection 35
Major issues to be reviewed by importers 35
Frequently asked questions (FAQs) when importing food 38

Plant Quarantine Act: vegetables, fruits, and grains 40
Preliminary research 41
Items prohibited for importation 41
Fresh fruits and vegetables and phytosanitary certificates 42
Items exempted from quarantine 45
Items subject to quarantine 46
Documents for plant inspection and quarantine 46
Application for review and inspection 46
Quarantine and inspection by National Plant Quarantine Service 47
Key points of inspection 47
Treatment for non-compliance 47

Livestock epidemic prevention and control: meat & meat processed goods 48
Preliminary research 49
Documents necessary for import quarantine 53
Documents required from importers 53
Documents required from exporters 53
Import quarantine 53
Inspection and quarantine 54
Key points of inspection 54
Disposal of non-compliant imported livestock products 55

Laws related to food labels in Korea 55
Laws related to food labels and main points 55
Labels based on the Food Sanitation Act 56
Food products subject to labels 56
Labeling items 56
Labeling method 57
Labeling based on the Health Functional Food Act 59
Labeling based on the Act on Resource Saving and Recycling Promotion 60

TABLE OF CONTENTS

Part III. Import procedures by food group 62

Vegetables and fruits: fresh or frozen 64
- Plant Quarantine Act 66
  - *Export preparation procedures* 66
  - *Emergency import ban* 71
  - *Segregated cultivation* 71
  - *Import process* 72
  - *Key points of inspection* 74
- Food Sanitation Act 74
  - *Preparations before export* 74
  - *Documents required from exporters* 74
  - *Import process* 75
  - *Key points of inspection* 77
  - *Important matters to check* 79
  - *Examples of non-compliance with the Food Sanitation Act* 80
- Import procedures for corn, soybeans and rice 85
  - *Corn and corn products* 85
  - *Soybeans and soybean products* 86
  - *Rice* 88

Frozen fish and clams 90
- International treaties for marine and environmental areas 91
  - *Key items in international regulations* 92
- ASEAN-Korea marine products: tariff rate quota (TRQ) 93
  - *Tariff method: auction* 93
  - *Application for recommendation* 93
  - *Method and procedures for public sale of import right: auction* 93
  - *Bidding method: steps in electronic bidding* 94
  - *Declaration of bidding winners* 94
  - *Date, time and venue of the bidding* 94
- Food Sanitation Act 95
  - *Preparations before export* 95
- *Documents required from exporters* 95
  - *Documents required from exporters or importers* 96
  - *Documents required from importers* 96
  - *Import procedures* 96

Inspection of marine products 98
Key points of inspection 98
Important matters to check 105
Examples of non-compliance for marine products 106

Tea and coffee 112
Plant quarantine: preparations before export 112
Import process 112
Plant Quarantine Act 113
Food sanitation: preparations before export 115
Documents required from exporters 115
Import process 115
Key points of inspection 117
Examples of non-compliance for coffee and tea 119

Processed food 121
Compliance with Livestock Epidemic Prevention and Control Act 122
Preliminary research 122
Import procedures 123
Key points of inspection 124
Compliance with food sanitation 125
Preparations before export 125
Documents required from exporters 125
Inspection certificate or inspection results 125
Import process 125
Key points of inspection 127
Important matters to check 132
Examples of non-compliance 132

Confectionery and snacks 140
Preparations before export 140
Documents required from exporters 140
Inspection certificate or inspection results 140
Import process 140
Key points of inspection 143
Important matters to check 145
Important things that importers must consider 146
Examples of non-compliance on food sanitation 147

TABLE OF CONTENTS

Beverages 151
- Preparations before export 151
- Documents required from exporters 151
- Documents required from both importers and exporters 151
- Import process 151
- Key points of inspection 155
- Important matters to check 157
- Examples of non-compliance of beverage imports 158

Alcoholic beverages 160
- Documents required from exporters 160
- Preparations before export 160
- Import process 161
- Key points of inspection 163
- Important matters to check 165
- Examples of non-compliance for alcoholic beverages 165
- Types of licenses to sell alcoholic beverages 166
